

**McCarter Grespan** is the leading business law boutique firm in the Region of Waterloo. Our Firm has achieved ongoing success by focusing on building a team of experienced corporate, real estate and condominium legal specialists who are dedicated to meeting and exceeding the increasingly complex needs and expectations of our clients.

To support our continuing growth, we require an energetic and detail-focused individual to join our real estate team in the role of **Associate Lawyer**.

Our objective is to have the successful candidate become a dedicated representative of our Firm and master a wide array of complex real estate-related legal structures, procedures and concepts.

The ideal candidate will possess a J.D. or LLB and have 2-4 years of experience working primarily on assignments in real estate law including purchases, sales and refinancing transactions. Exposure to commercial property transactions, leasing and land/property development will be considered an asset.

Our Firm's culture is supportive of a collaborative team environment and mentorship from experienced practitioners. A competitive compensation and benefit package will be offered to the successful candidate.

If you believe you have the skillset and long term vision to succeed in this role, please submit a resume and cover letter supporting your qualifications to:
